PUBLIC NOTICE OF HEARING ON THE RATE AND FINANCE APPLICATION
OF MOUNTAIN GLEN WATER SERVICE, INC.
DOCKET NOS. W-03875A-03-0737 and W-03875A-03-0870

On October 6, 2003, Mountain Glen Water Service, Inc. ("Company") filed an application with the Arizona Corporation Commission ("Commission") for an increase of approximately 29 percent over adjusted test year revenues. The actual percentage rate increase for individual customers will vary depending upon the type and quantity of service provided. The Company also seeks authority to incur long-term indebtedness in the amount of \$640,710 to purchase or construct arsenic treatment equipment to comply with new federal arsenic standards. The Commission's Staff has recommended an increase in revenues of 14.72 percent over adjusted test year revenues plus an additional arsenic removal surcharge of approximately \$22.66 per customer per month to recover the costs of the financing associated with arsenic treatment. Copies of the Company's application and proposed tariffs, as well as Staff's recommendations, are available at its office and the Commission's offices for public inspection during regular business hours.

The Commission will hold a hearing on this matter beginning on **May 25, 2004, at 9:00 a.m., at the Show Low Unified School District Auditorium, 500 West Old Linden Road, Show Low, Arizona.** Public comments will be taken at the commencement of the hearing.

The law provides for an open public hearing at which, under appropriate circumstances, interested parties may intervene. Intervention shall be permitted to any person entitled by law to intervene and having a direct and substantial interest in the matter. Persons desiring to intervene must file a written motion to intervene with the Commission, which motion should be sent to the Company or its counsel and to all parties of record, and which, at the minimum, shall contain the following:

1. The name, address, and telephone number of the proposed intervenor and of any party upon whom service of documents is to be made if different than the intervenor.
2. A short statement of the proposed intervenor's interest in the proceeding (e.g., a customer of the Company, a shareholder of the Company, etc.).
2. A statement certifying that a copy of the motion to intervene has been mailed to the Company or its counsel and to all parties of record in the case.

The granting of motions to intervene shall be governed by A.A.C. R14-3-105, except that all motions to intervene must be filed on or before May 17, 2004. The granting of intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other witnesses. However, failure to intervene will not preclude any customer from appearing at the hearing and making a statement on such customer's own behalf.

If you have any questions or concerns about this application or have any objections to its approval, or wish to make a statement in support of it, you may write the Consumer Services Section of the Commission at 1200 West Washington Street, Phoenix, Arizona 85007 or call 1-800-222-7000 or appear at the hearing and make comment.

The Commission does not discriminate on the basis of disability in admission to its public meetings. Persons with a disability may request a reasonable accommodation such as a sign language interpreter, as well as request this document in an alternative format, by contacting the ADA Coordinator, voice phone number 602/542-3931. Requests should be made as early as possible to allow time to arrange the accommodation.
